

- Are you a passionate leader who is ready to make a difference?
- Do you have excellent time management, follow through and organizational skills?
- Do you love building successful teams who provide premier customer service and patient care?

If you answered "yes" to these questions, we would like for you to join the Del Mar Heights Veterinary Hospital team as a Practice Manager!

**Job Overview:**

The practice manager is responsible for the business activities of the practice including: personnel issues (hiring, training, and performance evaluations); staff relationships with a command of HR-related issues and state, federal, local legal compliance of relevant employment law; monitoring key performance indicators and guiding the financial business development; maintaining inventory and an inventory control system; managing the hospital software, and implementing safety and security procedures. This is a leadership position with the additional responsibility of ensuring a positive work environment in which the practice achieves its goals.

DMHVH has 3 doctors and a staff of 9. We are located in beautiful Del Mar, California about 1 mile from the Pacific Ocean!

Our equipment includes K-Laser, Digital/Dental Xray, IDEXX in-house lab, and Cornerstone software. We are a paper-lite practice.
