

PET EMERGENCY & SPECIALTY CENTER

Pet Emergency and Specialty Center of South County-San Diego is hiring a full-time Lead Emergency Veterinary Technician to join our team.

The Supervisor/Lead Technician position is full time, and can include a combination of daytimes, evenings, weekends, and public holidays. Must have a minimum of 2 years small animal ER experience. Client service experience preferred. Supervisor/Lead Technician experience and RVT preferred but not essential.

Pay commensurate with experience. Full benefits including health/dental/vision/401k/paid vacation, and pet benefits.

All skills fully utilized. Plenty of room for growth and advancement with hard work and a great attitude.

Come join the team voted "Best in San Diego"!
