

About This Role

We are looking for a temporary, full-time, Veterinary Technician (will consider part-time). The primary responsibility of the veterinary technician is to work closely with our veterinarians to provide the highest quality medical care, while giving our clients an exceptional care experience.

At [Country Oaks](#), we strive to go above and beyond for every patient and client that walks through the door. Being able to prioritize, multitask, and complete tasks accurately and efficiently will be key to succeeding in this position. Compassion and empathy are vital to our mission, and the veterinary technicians play one of the most important roles in providing that to our patients and clients.

Our ideal candidate will be family-oriented, friendly, communicative, hardworking, and share our passion of caring for animals and their owners.

Here are just a few of the key tasks that you will be contributing to together with the rest of our team:

- Checking in Clients
- Obtain relevant health history and information from clients
- Blood draws and IV catheter placement
- Anesthetic monitoring
- Dental scaling, polishing and radiography

About You

- You genuinely care for pets, your fellow team members and customers.
- You have an enquiring and inquisitive mind.
- You are respectful and empathize with clients and staff.
- You enjoy spending time educating and involving the client with their pet's care.

Job Requirements

1+ years veterinary technician experience. Licensure preferred. Full-time preferred but open to part-time for the right candidate.

Our Location

We are located just south of Sacramento in the quiet and family friendly town of Galt, CA which is nested within a two-hour drive to the mountains or the ocean. In a short 1-2-hour day trip you could be skiing at Lake Tahoe, or sipping a glass of wine in Napa Valley, or enjoying the rich historic culture and fine dining in Sacramento.

Our Offer

- Competitive salary commensurate with experience
- No after-hours emergency coverage

By now you will have realized that **Country Oaks Veterinary Hospital** is a genuinely unique environment. We are a small-town veterinary hospital who delivers quality veterinarian care with passion. We are salary based, not production based, furthering the idea that we are here for our patients and not how much we can make per client. This is very important to us, but harmony is equally important, as is ensuring a great working atmosphere where honesty through transparency builds trust. It is time for you to make the next step in your career and join us.

It's Time To Apply

To apply, please prepare a cover letter specifically highlighting why you think that this is an ideal role for you together with a fully up to date resume and email to: Sirenawuerfele@Covh.net
