

Tarzana Pet Clinic in Tarzana, CA - is looking for their next exceptional veterinary professional; our next unicorn. The magical creature that we seek is a passionate veterinary technician with great skills already and/or a willingness, and desire to learn. We believe in having a humble demeanor and team building behavior, a strong technical skillset, and an ability to assess situations with confidence and put their patients' needs first. We believe in communicating with a smile and taking time to educate worried pet parents!

No task is too menial because every task benefits their whole team. Cleaning cages, phlebotomy, monitoring anesthesia, assisting in surgery, answering the phones, and comforting worried pet parents with a calm and caring demeanor are all equally important tasks that make Tarzana Pet Clinic successful in caring for our patients and our culture. We would prefer a Registered Veterinary Technician, but a skilled veterinary assistant would be just as welcome!

If this sounds like you, please check us out to explore what makes Tarzana Pet Clinic a wonderful home for magical creatures.

We are a tech-forward practice with state-of-the-art technology and opportunities for growth!

We Offer:

- Competitive Salary
- CE/Mentorship/Training
- Opportunities for career growth and development
- 401k with match
- Full Health Benefits including Vision and Dental
- Fun, upbeat, and fast-paced family environment
- No nights/Sundays/holidays!
