

**Registered Veterinary Technician
VCA Butte-Oroville Animal Hospital
Oroville, CA**

VCA Butte Oroville Animal Hospital in Oroville, CA is seeking an experienced Credentialed Veterinary Technician to join our team.

The successful candidate will be a believer in the possibilities of high quality veterinary medicine and patient care—with the expertise and technical know-how to make them happen.

We are a full service, small animal hospital that offers digital radiography, digital dental radiography, ultrasound, orthopedic procedures and much more. We have one long-term full-time doctor and one long-term part-time doctor. Many of our support staff has been here long term. Our staff is dedicated to delivering the best medicine for our patients and the best client service. We have a strong client base.

Full time with no after hour services. We are open Monday through Friday and every other Saturday.

Oroville is a medium sized town but still has that small town charm. We are located in Northern California about 20 minutes South of Chico and about 90 minutes north of Sacramento. Our Hospital is located about 10 miles from Lake Oroville that has great recreation including camping, fishing, hiking, biking or just enjoying a beautiful day on one of their designated picnic areas. We are just minutes from some of the best hunting areas in California including water fowl and deer. Oroville is about a 2-hour drive from Lake Tahoe, 3-4 hours to the coast and about 2 ½ hours to Napa. Oroville offers a wide variety of activities while delivering an affordable cost of living.

Why We Need You

As a member of the VCA team, your mission will be to win the confidence of every pet parent—by delivering an outstanding client experience—so they will partner with us for the lifelong care of their companion animals.

You've worked hard for your credentialing and we want you to use the knowledge that you've invested your time and talent in. The skills that you will be utilizing include, but are not limited to:

- Venipuncture
- catheter placement
- radiology
- anesthesia monitoring
- physical examinations and patient assessment
- surgical preparation and assisting
- dentistry
- laboratory work
- pharmacy
- patient recovery
- compassionate care for our hospitalized patients

Why You Should Consider Us

At VCA, your passion for medicine and compassion for pets and people is matched with a commitment to your professional growth.

- You will enjoy exposure to a diverse and stimulating caseload, employ the most advanced imaging and monitoring tools, and tap into the expertise of more than 4,500+ doctors, including 600+ boarded specialists.
- You will sharpen your skills—and even learn some new techniques—and explore career options that only VCA can offer, such as continuing education, transfer, specialization, and leadership opportunities.
