**Animal Emergency Medical Center
is hiring a Registered Veterinary Technician
to join our AMAZING team!**

Ideal candidate must:

- be a Registered Veterinary Technician
- be able to triage emergency patients
- perform patient laboratory tests
- possess excellent communication skills
- be willing to work some weekends, overnights and holidays.

Why work at Animal Emergency Medical Center?

Located in the south bay, the Animal Emergency Medical Center is a well-established, AAHA-accredited, 7-doctor practice in Torrance, California. We are a group of highly accomplished professionals dedicated to delivering the highest quality patient care with exceptional client service.

We invest heavily in our employees' long-term growth and happiness. We offer a wonderful benefits package including medical, vision, dental and life insurance, continuing education, generous pet care discounts, 401K, and much, much, more!

JOB OVERVIEW:

The Registered Veterinary Technician (RVT) works under the supervision of the Technical Supervisor, Hospital Practice Manager, and Doctor Staff. They are responsible for the care and treatment of unstable and or critically ill patients.

Responsibilities include:

- triaging emergency patients
- monitoring hospitalized patients
- performing patient laboratory tests, treatments and nursing care
- admitting and discharging patients
- client communication and education
- answering technician calls.

Must be willing to work some weekends, overnights and holidays.

Come share your talent with an accomplished team dedicated to delivering the highest quality patient care with exceptional client service.

Apply today! We look forward to hearing from you!
