

Are you a **Registered Veterinary Technician** with a passion for making a difference in the lives of animals in your community? Do you desire a work schedule that gives you free time in the evenings, weekends, and most holidays? [Critters Without Litters](#) seeks an **RVT** to join our staff. The position may be PT or FT in our fast-paced, nonprofit spay/neuter clinic.

RESPONSIBILITIES:

Clinic and Client Services:

1. Assist in providing direction to veterinary assistants and volunteers as needed.
2. Maintaining patient flow to the surgical staff.
3. Actively promote spay/neuter and educate clients on responsible animal ownership.
4. Provide vaccination services to clients during our walk-in vaccine clinics if needed in accordance with the established vaccination schedule.
5. Actively support associate staff and volunteers; promote the development of skills related to the advancement of our goals and mission.
6. Represent the clinic in a professional and courteous manner.
7. Assist in the maintenance of medical inventory and supplies.

Patient Care:

1. Assist with triage of patients as they are checked in for surgery.
2. Provide excellent patient care.
3. Assist veterinarians in surgery as needed.
4. Calculate and administer anesthesia to all surgical patients per anesthetic protocol.
5. Maintain all necessary drug logs and patient records.
6. Stay current in knowledge of emergency drugs and protocol.
7. Administer animal vaccinations, tests, medications and treatments as directed.
8. Other duties as assigned.

Pay begins at \$22+ DOE, paid holidays, paid time off, and benefits.
