

## **Veterinary Technician**

Join our family atmosphere practice!  
Are you an RVT or experienced veterinary assistant?

[All Creatures Veterinary Hospital](#) in Dublin, CA is a friendly, independent, solo doctor, predominantly dog/cat practice in the East Bay Area that emphasizes personal care and compassion.

Caseload includes dermatology, internal medicine, and emphasis on preventative as well as therapeutic care. We have a special interest in Shar Pei. We are looking for a friendly, hardworking, team player to join our happy staff, clientele and (most of the time) patients. Hopefully and maybe that is you!

Part-time position will be considered.

Compensation commensurate with experience.

We offer vacation, health insurance and 401K.

If interested, please send your resume to:
