

Looking to make a difference?

Be part of a highly skilled team?

Be a part of an innovative surgical and urgent care hospital!

We have a position for you with competitive wages and excellent benefits package!

Come join our surgical/urgent care team and get the opportunity to work alongside board-certified surgeons and highly skilled emergency doctors and as well as our incredibly talented RVT's and assistants in an established but growing surgical/urgent care practice.

RVT certification is required and at least 2 years of veterinary practice experience.

In the age of veterinary consolidation and corporations, we are proud to serve Orange County pets and their families as an independently owned veterinary hospital.

Must be able/willing to night shifts, weekends, and some holidays.

Core Competencies

- Provide high-quality nursing care to pre-op and post-op patients, monitoring anesthesia, and surgical assistance
- Support emergency doctors and triage emergency patients, aid in emergency diagnostic testing and procedures.
- Well-developed animal handling and restraint skills
- Work directly with owners from check-in to check out
- Superb communication skills with both clients and other staff
- Must *thrive* in a team environment
- High level of professionalism
- Knowledge of EzyVet and Smartboards is a plus!

This position is a 4/10-hour or 3/12-hour workweek. We are open on weekends and most holidays. We offer a generous weekend differential.

Employee Benefits: \$400.00 employer-paid portion of health insurance, 100% employer-paid vision, 100% employer-paid dental, 401K 3% employer contribution, bonuses, continuing education allowance, and pet care discounts
