

Veterinary Specialty Hospital (VSH) is looking for a full-time Veterinary Assistant to join our Radiology and Imaging team.

About Veterinary Specialty Hospital: At VSH our mission is to advance the veterinary profession through our leadership in medicine, education, business and promotion of the human-animal bond. We strive to bring together caring, warm and intelligent people who love to serve and help and are among the best in their field.

About the Job: As a Vet Assistant in the radiology and imaging departments you will be responsible for:

- Partnering with DVM's in patient assessment, diagnostics, treatments, and procedures
- Perform anesthetic monitoring including intubation/extubation of patients, monitoring vitals, and troubleshooting of machines
- Obtain and prepare various blood samples for diagnostic testing
- Accurately take and process multiple types of radiographs
- Oversee outpatient and inpatient radiology and imaging schedules, coordinate with other departments, staff and radiologists
- Assist Advanced Imaging Technicians with high quality MRI/CT studies
- Produce high quality diagnostic images in a timely manner
- Trouble-shooting the machines and associated equipment
- Will need to have good knowledge of anatomy
- Possess effective communication with clients, radiologists, and specialists
- Will participate in the on-call rotation and will help patient care when the imaging department has down time
- Practicing proper radiation safety

About You:

- Minimum of 1 year of experience working as a Veterinary Assistant in an animal hospital setting required. Recent graduates with an Associate's or Bachelor's degree in Veterinary Technology will be considered.
- Comprehensive understanding and experience with anesthetic monitoring is preferred.
- Proficiency in processing basic laboratory specimens and working knowledge of radiographic techniques is required
- RVT or VTS preferred but not required.
- Ability to work in a highly collaborative environment and commitment to develop long-term relationships with colleagues, clients, and community is required. Positive outlook and ability to work well in a collaborative environment.
- Passion for providing the highest quality in patient care.
- Excellent communication and organizational skills are required, and the ability to deliver exceptional client service is expected.

Schedule - 4/10 Hour Shifts

Our compensation for this role depends on skillset, experience, licensure and typically falls between \$16.30 and \$40.00 plus on-call pay and bonus.

- Veterinary Assistant: \$16.30 - \$26.00
- Registered Veterinary Technician (RVT): \$24.00 - \$35.00
- Veterinary Technician Specialist (VTS): \$31.00 - \$40.00

Benefits of Working at VSH:

- Partnership with Purdue VT program/scholarships
- Competitive Vet Assistant and RVT CE allowance annually
- **VetBloom access:** Race approved continuing education, training and curriculum library
- License application and renewal reimbursement for RVT's
- Financial support and onsite mentorship toward pursuit of VTS
- Opportunities for growth and advancement
- 75% Employee Pet discount
- Full-time benefits include health, dental, vision, disability and life insurances, flex-spending accounts, 401(k), Employee Assistance Program, 3 weeks accrued paid time off that increases with milestone anniversaries, and uniforms. Health benefits available on day 1.
