

## [Three Hearts Veterinary Hospital](#)

is seeking skilled, compassionate **RVTs** to join our team!

We are an all new, high tech hospital in Oroville, CA.

### **We are fully equipped with:**

- a complete in-house lab,
- digital radiographs,
- ultrasound,
- state of the art dental suite and radiography,
- and a beautiful, comfortable facility.

Excellent clientele and patients, and the practice is growing quickly. We have a supportive, hard-working, and fun team of veterinary professionals that love what they do, and are committed to high-quality, compassionate care.

### **Preferred Skills:**

- Strong skills in venipuncture,
- IV catheter placement,
- general anesthesia,
- medication administration,
- and client communication are required.
- Experience with dentistry and/ or exotic pets a plus.

If this sounds like you, come see us!

### **Offering:**

- excellent salary,
- health insurance,
- part time or full-time scheduling with 4 - 10 or 3 - 12-hour shifts. (Enjoy a shorter work week).

**Looking forward to meeting you!**
