

Hiring a Registered Veterinary Technician - RVT

Compensation: **Hourly** \$40,000 - \$45,000
Employment type: **Full-time**
Job Title: **Registered Veterinary Technician - RVT**

Do you hate your job? I know why.

It is because you're not working for the best, privately-owned animal hospital in Orange County CA. Get out from under the thumb of corporate ownership. Get away from managers that can't manage to get themselves out of a paper bag. Come to a hospital that likes to practice medicine and enjoys helping others. Learn from the best, by working with the best.

Call my cell phone directly and find out what makes us better than everyone else. **916-225-1763 - Ethan**

Background screening, drug testing, and previous employment verification will be performed. You must be a **California Licensed Veterinary Technician** in good standing.

Responsibilities:

- Provide information and explanation about the products and services we provide
- Triage routine, urgent, and emergency situations
- Patient restraint, diagnostic sample collection, & diagnostic interpretation
- Administer in-patient and hospitalized patient care
- Anesthetic monitoring and surgical assisting
- Perform dental prophylaxis

Qualifications:

- Previous experience in veterinary medicine
- Ability to build rapport with clients and deliver personable interactions
- Ability to prioritize and multitask
- Positive and professional demeanor
- Excellent written and verbal communication skills

Job Type: Full-time (Tuesday – Saturday) Please refer to our **web site** for our hours.
