

RVT/Licensed Surgery Technician
Fremont, CA

Do you enjoy assisting in anesthetic procedures? Dentistry and scheduled routine procedures at a general practice? The ease of a part time schedule? Then we may just have the perfect position for you! **VCA Mission San Jose Animal Hospital** is looking for a candidate with a positive outlook that is proficient in placing intravenous catheters, inducing anesthesia, preparing for surgery, monitoring anesthesia, dentistry and dental radiography, and recovery. Hours are 8-5, 2-3 days per week. No weekends or evenings. Limited client interaction. No phones.
