

## Registered Veterinary Technician - VCA Orchard Plaza

### Join the VCA Orchard Plaza Team!

**Location:** 5841 Cottle Road, San Jose, CA 95123

Located in South San Jose, near Santa Teresa County Park.

Our hospital welcomes dogs, cats, pocket pets, reptiles, and birds! Currently we have 5 doctors on staff and looking to welcome a 6th. We're surrounded by residential homes, pet friendly apartments, condos, and townhouses which makes us a go to for pet parents in the area. We are a fast paced clinic, always welcoming new clients and patients. As an AAHA accredited hospital, we strive to provide excellent care to every patient that comes through our doors. Although COVID has changed the way we facilitate care, we have an efficient procedure in place for our doctor's appointments and technician appointments. To keep both the team and clients safe, currently we offer curbside check in and the option for one owner to be present for a portion of physical exam when here for a visit with the doctor while technician appointments are still offered curbside.

Special equipment we have on site include, a cryopen for cryotherapy treatment and an ultrasound machine which is currently mainly used to assist in cystocentesis, but could be used for so much more. We also offer digital x-rays with radiologist support and digital dental x-rays.

We have an amazing technical support staff that includes 3 fully certified RVTs. Our team is very welcoming, we frequently host extern students pursuing careers as RVTs and DVMs so we're always ready to help, answer questions, and train. The workplace culture here is family-like, built on respect, common goals and communication. Each team member is equally important in helping our patients and clients.

Hospital hours are Monday- Friday 7:00am - 6:00pm, Saturday 7:30am - 4:00pm, and closed on Sundays.

At VCA Animal Hospitals, we are looking to add full time team members to our hospital! We have a unique culture in our hospital that values each person's individual skill and personality. There is something special about you and we are excited to learn more!

### Why Join the VCA Orchard Plaza team?

We are passionate about supporting veterinary technicians and are committed to your continuing education and personal career development. VCA is a community of dedicated professionals that will encourage you to explore everything a veterinary technician career has to offer.

We are committed to equity, inclusion, and diversity, and strive to be a place where a talented mix of people want to come, stay, and do their best work. We support a work environment where you can focus on your career, your happiness, and the patients you serve. Below are some of the many benefits of joining the VCA team!

- Access to the people and financial resources of a large veterinary community

### **Why We Want You!**

As a member of the VCA, you will support technician and doctor teams by creating a positive, low-stress atmosphere for our clients and patients. Your mission will be to win the confidence of every pet parent—by delivering an outstanding client experience—so we can provide exceptional care to every patient.

You have worked hard for your credentials (CVT, RVT, LVT) and we want you to use the knowledge that you have invested your time and talent in. The skills that you will be utilizing include, but are not limited to:

- Physical examinations and patient assessment
- Anesthesia monitoring
- Surgical preparation and assisting
- Dentistry
- Radiology
- Laboratory work
- Venipuncture
- Catheter placement
- Pharmacy
- Patient recovery
- Compassionate care of our hospitalized animals

### **Apply today!**

We value your time, and that is why we have a very quick and easy application process. Apply today on our mobile-friendly application. We look forward to speaking with you!
