

ANIMAL EYE CENTER, INC.

5175 Pacific St.
Suite A
Rocklin, CA
95677

Animal Eye Center is seeking a full-time Registered Veterinary Technician to join our Ophthalmology team.

This is a full-time position Monday-Friday.
Applicants must have at least 2-3 years previous veterinary related experience.
Applicants must have a strong background in anesthetic monitoring techniques.

We are looking for individuals that are detail-oriented, organized, motivated, committed, and self-directed. Applicants must have good communication skills, basic computer knowledge and a positive professional can-do attitude. They must be reliable, dependable and flexible.
The candidate must be able to prioritize and complete tasks with accuracy and have a desire to learn and work as a team member.

We are seeking individuals who want to learn new skill sets and gain new knowledge about ophthalmology. You will be working with companion animals, pocket pets, exotics and wildlife patients. Animal Eye Center encourages learning through CE sessions and on the job training from our Doctors, Technicians and Receptionists. Our top priority is providing the best quality of care for all our patients and their owners.

Physical Requirements: Ability to lift up to 40 lbs. without assistance. Ability to stand for long periods of time during the shift.

Job Duties Include (but not limited to)

Assisting Doctors and other Veterinary Technicians during examinations and diagnostic and surgical procedures.
Anesthetic induction and monitoring.
Drawing blood and placing IV catheters
Surgical preparation of patients.
Surgical instrument cleaning and pack preparation.
Patient care including administration of medications.
Restocking supplies and medications.
Keeping accurate medical records and logs.
Laundry and housekeeping duties (sweeping, mopping, emptying trash, etc.)

Full Time Benefits Include:

Health insurance, CE, paid vacation, simple IRA
