Seeking Full-Time and Part-Time Veterinary Technicians

Central Coast Pet Emergency Hospital is a 24/7 veterinary emergency clinic located in Arroyo Grande in beautiful San Luis Obispo County, California. We are located on the stunning, picturesque Central Coast of California, where rugged coastline, lush nature, sweeping farmland, and pristine wine country coalesce. You can spend a morning fishing or kayaking in Morro Bay, and then take a gorgeous drive through the mountains for lunch and wine tasting in Paso Robles. "Heavy traffic" means 5 minutes of slowing down, and the overall cost of living is less than the big cities.

The entirety of our staff strives to provide a gold standard of compassionate care to all pets and their family members from the time they walk in the door until they leave. Our fully equipped facility boasts ultrasound, endoscopy, digital radiography, in-house IDEXX lab equipment, oxygen cages, and more to be able to provide quality diagnostics and treatment in any situation.

We are offering an amazing opportunity for experienced technicians who are seeking a growing environment and the opportunity to make a difference. You will be working with fun and experienced staff and DVMs. We currently have positions available working daytime shifts as well as late afternoon/evening shifts.

Job responsibilities include but are not limited to:

- Triage and take complete histories on incoming patients
- Perform diagnostic testing and execute treatment plans
- Monitor hospitalized patients and provide excellent nursing care
- Prepare patients for surgery. Anesthetize, maintain, monitor and recover patients
- Work with radiology equipment with proper knowledge of positioning, technique, and safety
- Prepare and administer medications
- Assist with managing patient and client flow
- Maintain patient records and input charges
- Discharge patients and provide appropriate client education

Desired skills and experience:

- Venipuncture and catheter placement
- Knowledge of various routes of drug administration
- Calculation and administration of fluids and medications
- Aseptic surgical area preparation

- CPR training
- Proper animal restraint
- Work collaboratively with team members
- Work well under pressure and in high stress situations
- Model professional and courteous behavior with clients, team members and DVMs
- Attention to detail in a fast paced environment
- Critical thinking and problem solving skills

Pay: \$20.00 - \$28.00 per hour based on experience and credentials. Additional differential for overnight shifts.

Benefits:

- CE Allowance
- Uniform Allowance
- Paid Time Off
- Employee Pet Discount
- 401k
- Medical/Dental/Vision
- Disability Insurance
- Life Insurance
- Employee Assistance Programs
- Quarterly Bonus Opportunities
- Tuition Reimbursement/Assistance
