

## Alpine Veterinary Hospital and House Calls We Need A Registered Veterinary Technician!!

Leave the concrete jungle behind and join our fun team in the beautiful resort area of Mount Shasta! Skiing, snowboarding, lake activities, hiking, biking are only minutes away. This is a great place to work, live, recreate and raise kids!

- Part Time or Full Time RVT is desired.
- We need extra help with blood draws, running in house lab tests, surgery prep, surgery assistance, dentals and extractions, IV catheter placements and treatments and other typical RVT type tasks.
- Must be currently registered as an RVT in California and in good standing.

We have a very fun and excellent staff and our equipment is all new;

- Digital Vet Ray
- Digital Mindray Ultrasound
- DigiCare LifeWindow 9x
- Breath Safe
- Midmark Lift table
- Idexx Lasercyte and Catalyst One
- Cornerstone Veterinary Software Program

We are ready to negotiate with you! We want you to be happy too! Tell us what you need in order to move to Weed. Whether buying or renting, real estate prices are very affordable here! You can buy a house for what rent is in the Bay Area.
