

It's fun to work in a company where people truly BELIEVE in what they are doing!

**\*Up to \$2,500 retention bonus available!**

**A UNIQUE and REWARDING opportunity for a Veterinary Technician to join our team at Eye Care for Animals Culver City!**

The ideal candidate:

- has 3 years of clinical experience as a Veterinary Technician
- RVT preferred or in the process of taking the VTNE
- driven to deliver compassionate patient care
- driven to deliver positive client experiences
- enjoys working with a team of like-minded professionals
- loves veterinary medicine and learning the science
- has surgical and anesthesia experience and interest

#### **JOB SUMMARY**

Our veterinary technicians are responsible for a variety of tasks related to client care and patient care within the specialty ophthalmology practice. Duties include animal handling, performing ophthalmic diagnostics, pre and post-operative nursing care, presenting treatment plans, discussing financial options and estimates, accurately entering service charges into client processing database, extensive client interaction and education, preparing and demonstrating application of medications. Hours are typically Monday through Friday 8am-5pm and occasional Saturdays. Additional scheduling may include after-hours and/or on-call responsibilities if available.

**This position will be required to work at our Torrance satellite location on Mondays.**

**Apply today! We look forward to meeting you!**

If you like wild growth and working with happy, enthusiastic over-achievers, you'll enjoy your career with us!

All candidates applying to positions in the state of California must undergo additional background screening prior to being selected.
