

### [Marysville Veterinary Hospital](#)

is seeking a full-time (32-40 hours) **Registered Veterinary Technician** to join our small animal practice. License and experience are required.

Veterinary technician must have a broad knowledge of animal science, medicine, and husbandry, including a basic knowledge of pharmacology and sufficient mathematical skills to ensure the administration of accurate drug and fluid doses. They must be able to successfully restrain animals, complete clinical laboratory tests, use multiple radiology techniques, administer agents, and monitor animals under anesthesia, assist in surgery, and perform dental procedures. Technicians must also deliver compassionate nursing care.

Candidates must have the physical strength and ability to stand for an entire shift when needed and be able to lift pets and objects weighing up to 50 pounds without assistance.

The ideal candidate is a professional, people-oriented, team player, and possesses excellent communication, leadership, and client service skills.

Benefits are excellent including

- compensation based on experience and education.
- paid time off.
- medical/dental/vision insurance.
- 401K.
- CE allowance.
- paid license fees.
- pet care.
- uniform allowance
- and more.
