

REGISTERED VETERINARY TECHNICIAN
[Guide Dogs for the Blind, Inc.](#) San Rafael, California

Let your **commitment to quality** guide you here.

[Guide Dogs for the Blind, Inc.](#) (GDB) offers an especially rewarding career for veterinary professionals. The Registered Veterinary Technician supports both the Veterinary Clinic and the Veterinary Financial Assistance Program as a floater, dividing time between the Veterinary Clinic and the Support Center. We'll rely on your compassion and commitment to provide support in the capacity of a Registered Veterinary Technician and Client Service Representative in the Vet Clinic and as a Veterinary Financial Assistance Program Coordinator in the Support Center.

Key responsibilities/qualifications as a Registered Vet Tech/Veterinary Financial Assistance Floater include:

- Working with staff veterinarians to provide comprehensive patient care and ensure the health and well-being of dogs and puppies under our care as a Vet Tech
- Supporting graduates and veterinary clinics serving our canine population, and providing professional advice, education and advocacy as a VFA Coordinator
- Performing laboratory sampling and interpreting in-house lab test results
- Accurately maintaining specialized medical records both in GDB database and for outside veterinarians
- Providing extensive phone and computer support to outside constituents by ensuring that our canine population receives high-quality, timely care
- Authorizing veterinary financial assistance to dogs in need, utilizing the program and guidance of the VFA specialist and veterinarians
- Coordinating with internal veterinary staff and outside providers in order to create a close support network for dogs and graduates
- California Registered Veterinary Technician license and AS degree in Veterinary Technology or equivalent; at least three years' experience desired

Meaningful Experiences

As a Registered Vet Tech with GDB, you will have a pivotal role in creating and maintaining life-changing human-animal bonds. This exciting position is for someone who loves dogs, is committed to providing excellence in veterinary care and is inspired to make a difference in this world. Every day, you'll have the satisfaction of knowing that you have played a vital part in our mission to improve the lives of people who are visually impaired by taking expert care of the companion animal they depend on.

Great Benefits

At GDB, we take care of the people who help us fulfill our mission. Highlights of our generous benefits package include medical/dental/vision/life/disability insurance, 403(b), generous paid time off, tuition reimbursement, and great wellness perks like yoga, circuit training, and an onsite gym. A dog-friendly workplace, we also provide pet food discounts.
