

Registered Veterinary Technician

Animal Dermatology Clinic in Marina del Rey is seeking a registered veterinary technician. We are a multi-doctor referral practice specializing in dermatology. Our clinic is part of a large group of dermatologists that include 9 full-time clinics in the United States, and several international clinics. Our doctors and staff travel to several satellite clinics for the convenience of our clients. We strive to be the leaders in our field; we participate in drug trial studies, dermatology resident training, and studies to advance the knowledge of our field.

We are looking for someone with the following qualities:

- Energetic
- Positive
- Upbeat personality
- Takes initiative
- Commitment to the needs of the clinic
- Punctual
- Willingness to teach others and share ideas
- Openness to diversity
- Adaptability to change
- Accountable
- Able to see big picture

Knowledge, Skills and Abilities (including but not limited to):

- Previous experience or training/ education in a veterinary facility
- Must be friendly, outgoing, “people oriented”
- Excellent communication skills
- Must be capable of being cross-trained for front office receptionist duties, telephone and computer skills are necessary
- Must be a team player willing to learn new techniques, treatments, and accept change

Medical Related Skills:

- Phlebotomy
- IV catheter placement
- Preparing and restraining animals during procedures
- Anesthetic induction
- Anesthetic monitoring
- Assisting in surgery
- Suture cutaneous and subcutaneous tissues
- Apply bandages and/or splints
- Wound care
- Ability to use a stethoscope and otoscope
- Advising pet owners on proper care, etc.

Duties (including but not limited to):

- Demonstrate excellent relations with client/ pets in the waiting area and exam rooms
- Exceed the client’s expectations of service
- Compassionate nursing care is the top priority for all patients
- Housekeeping/ maintenance
- Ability to perform a cursory examination of an animal
- Ability to recognize potential patient issues

- Clearly communicate your findings to a doctor
- Record keeping
- Fill prescription and dispense medications as prescribed by the doctor, etc.

Education and Physical Requirements:

- College or college-equivalent education as required in becoming a Registered Veterinary Technician
- Dependable attendance is required
- Must be able to lift 40 pounds
- Must be willing to work long or irregular hours under pressure conditions
- The ability to walk, bend, stand or reach constantly during a minimum 8-hour day.

We offer:

- A 5-day work week Monday- Friday
- Competitive wages
- Medical/ dental/ vision insurance
- 401K; paid holidays
- CE opportunities
- Paid vacation
- Uniforms
- Discount on services and medications for employee pets
- Some traveling may be required

If you meet the above qualifications, please submit a copy of your resume to dtaylor@adcmg.com
