

Lassen Veterinary Services - Susanville, CA

Privately owned, small animal, busy practice in search of an experienced **Registered Veterinary Technician**

Some of the skills required:

- adept at patient handling for exams and procedures
- radiology techniques,
- injections all routes,
- blood draws,
- proficient with IV access,
- anesthetic induction and monitoring.
- experience with *dental procedures* a plus.

Ideal candidate will be confident performing examinations and following hospital protocols.

[Susanville](#) is a great location with diverse outdoor activities such as skiing, hiking, bicycling, fishing and horseback riding, Reno is 80 miles SE and Redding & Chico are 90 to the West.

Lassen Veterinary Staff works well together, enjoys most Saturdays, all Sundays & nights off.

Motivated and responsible team member could excel in their own niche within our hospital.

Benefit package available including Continuing Education and paid vacation.

Salary: ~\$25.00/ hr and up for the right candidate

Email your resume to [Lassen Veterinary Services](#).
