

Job Description

Skilled RVTs are vital to the success of our practice. We are looking for licensed veterinary technicians with a minimum of 1 year of veterinary assistant and/or technician experience who are looking for an exciting opportunity to care for patients and clients in our progressive hospital. We have a high caliber team dedicated to positive, compassionate care. We offer competitive salary and full-time benefits such as

- medical insurance,
- vacation,
- well pay,
- employee pet medical care,
- continuing education,
- 401K matching retirement plan,
- and great teammates!

RVTs at [Muller Veterinary Hospital](#) not only must possess certified credentials, but also solid skills and a desire for continuing education. We look for people who demonstrate our Core Values of Positivity, Dedication and Compassion and want to have fun providing great care to our patients!

We have the latest in technology including

- digital x-ray,
- digital dental x-ray,
- ultrasound,
- laser therapy and laser surgery,
- shockwave therapy,
- and in-hospital laboratory among other equipment.

We offer

- small animal/exotic pain management,
- general surgery,
- dental services,
- wellness,
- chronic disease management,
- and diagnostic services in addition to
 - acupuncture,
 - chiropractic,
 - and other modalities of care.

Responsibilities and Duties

Depending on level of experience, duties may include but are not limited to:

- nursing care,
- placing IV catheters,
- administering medications,
- wound and bandage care,
- assisting and monitoring surgeries and anesthetic procedures,
- radiographs,
- dental cleanings and x-rays,
- administering laser therapy,
- among others.

Qualifications and Skills

One year minimum veterinary assistant/technician experience required.
