

Community Concern for Cats

CC4C Cat Hospital

We are looking for two great RVT's to join our team. Candidates must be reliable, have strong communication skills both written and verbal, have a high work ethic, and must be able to multi-task with consistent attention to detail.

Position Title: Registered Veterinary Technician (RVT)

We are looking for two RVT's that are motivated quick learners to be part of our team. We are a small privately owned, non-profit veterinary rescue hospital located in Clayton. We currently have two doctors, two techs, and two hospital assistant that work very well together and are looking for our next team members to be part of our fast-paced hospital.

Responsibilities include but are not limited to:

- Assisting with intake of patients
- Preparing patients for surgical procedures by sedating patients, intubating & extubating, supplying oxygen and anesthesia, placing & removing IV catheter, administering IV fluids, monitoring patients during surgical procedures, assisting in surgical procedures, recovering and monitoring patients after anesthetic procedures
- Dental assisting; radiographs and scale and polish
- Recovering patients after surgery. Each patient needs their vitals taken periodically to ensure they are within normal limits. This consists of recording rectal temperature, heart rate, and respiratory rate on the medical record. Each patient may need additional treatments in recovery including nail trim, flea product, etc.
- Administering medications IV, IM, SQ, PO
- Assisting in patient procedures such as restraining, nail trims, sedation, blood draws, radiographs, etc.
- Assisting doctors with exam, filling prescriptions, reviewing home care instructions with caregiver/owner.
- Assisting in end of day tasks cleaning and prepping surgical instruments, restocking supplies as needed, laundry, and prepping and cleaning of cages, traps, and/or carriers as needed

Compensation/Benefits:

This position is 8 hours per day, 32 hours per week, \$27 per hour.

Shift to be covered: 8am to 5pm Sundays, Mondays, Thursdays and Fridays.

No benefits.

REQUIREMENTS:

Current California Registered Veterinary Technician License

Two years of experience working in a veterinary facility

This position requires employees to bend, reach up, and/or kneel to put patients in their carriers/cages/traps.

Must be at least 21 years of age.

Must be able to lift and move a minimum 40lbs.

Must be able to stand for majority of shift.

Must be animal lover.

Please submit cover letter and resume to CC4Ccathospital@gmail.com.
