

Have you been dreaming of starting the New Year with a position in a positive, friendly practice where the doctors and care team are genuinely supportive of each other? Have you always wanted to work with a close-knit team that feels more like family than co-workers? If that sounds exactly like what you have been wishing for, search no further, you have found your new home!

A busy and successful practice in **Saratoga** has an immediate opening for a **Registered Veterinary Technician** with at least 2 years of experience. In addition to great technical skills, the successful candidate will be outgoing, friendly and enjoy client communication and education. To thrive in this team oriented environment, you should love pitching in to help your teammates. "That's not my job" isn't a phrase you'll hear in this practice! Excellent organizational skills and careful attention to detail are also required to excel on this team.

RVT's who work in this hospital are viewed by doctors as partners in providing the highest quality of care to the patients who visit the practice. The education and knowledge of RVT's are depended upon and they are encouraged to learn, grow and develop their skills.

[Reed Animal Hospital's](#) new location in Saratoga is staffed with experienced doctors and a care team who believe in practicing high quality veterinary medicine. As a valued member of this team you will be rewarded with an exceptional benefits package and a highly competitive pay scale.

You don't want to miss your opportunity to start the New Year with a new team you will enjoy working with each day. Our interview process is designed to find the best RVT available. Is that you?
