

If you love animals, and have a desire to help people and their furry family members, and want to grow with a veterinary hospital that focuses on providing excellent patient care to family pets, please read on! Mission Valley Pet Clinic is looking for a Veterinary Technician that wants to be part of a fun and supportive culture, learn and grow in their field and be a team player in a busy 3 doctor practice!

We have a modern practice, loyal clients, and great medicine!

We want to teach you and learn from you. We know what a hot commodity you are and we will appreciate and reward that!

WE:

- Offer a competitive salary
- Provide all employees with an excellent benefits package (PTOs, medical, educational stipends, veterinary care benefit, 401K, and more!)

IF YOU:

- Have any experience at a veterinary hospital
- Have a strong work ethic and want to join a team that values accomplishing goals together
- Don't mind working hard because you want a great learning experience
- Want to share your enthusiasm and excitement about working with people and animals
- Are committed to extraordinary patient care and customer service
- Can also maintain grace under fire in a busy environment...

...Then, we want to meet you!
